

Earth Science

Ed./Outreach Student Competition

TWO \$3000 Prizes!

Earth Science Information Partners (ESIP) Student Education/Outreach projects

Communicating Earth science to the wider public has never been more important! Do you have a media project? an idea for a k-12 classroom activity? want to communicate with others about science? Present a poster at the summer meeting in Santa Barbara and your work may be funded!

What: Present a Poster about your Project

When: July 23, 2010

Where: UTK Conference Center, ESIP Federation Meeting.
